

Restructuring and Insolvency:

Kreston International is a global network of independent accounting firms with a reputation for providing trusted compliance and advisory services to entrepreneurial business in the SME and Mid-Market sectors.

Kreston's global network has the right people with the right knowledge and expertise in the right place to help others achieve their goals by building strong and lasting trusted relationships, each having committed to the network's ethos that trust means the highest quality of technical skills, delivered with integrity, creativity and exceptional service.

Currently ranking as the 12th largest accounting network in the world, Kreston now covers over 100 countries and provides a resource of over 21,000 professional and support staff.

Kreston's Restructuring and Insolvency experts are accustomed to working together on client assignments to deliver international solutions to ensure clients receive the highest quality of expertise available in their own country.

Cross border restructuring, administration, bankruptcy or liquidation requires decisive action. Solutions often need to encompass various business entities, subject to widely differing formal procedures across several jurisdictions. By engaging Kreston member firms, clients benefit from specialist support from appropriately qualified and trusted experts right across the globe in:

- Conducting independent business reviews
- Advising on business structures and performance improvement
- Rescuing, restructuring or realising liquid or insolvent businesses
- Establishing and operating creditor moratoriums
- Recovering, rescheduling and converting debt
- Optimising returns for stakeholders
- Investigating business failures and antecedent transactions transaction
